

TECHNICAL + HOSPITALITY RIDER

STAGE

2 Pioneer PDX 1000 or Technic SL 1200-1210, MG, MK5 turntables in excellent working condition. Ground wires, lights and RCA cables must work properly.

1 Very sturdy table, on casters/wheels, about 42" high and approximately 6 feet wide. Burt is (6'3 tall) so standard fold out tables are too low. If there is a DJ booth the table will not be necessary.

1 Pioneer DJM-S9 or Rane 57II/62/62z/64/68 SL mixer. Any DJ mixer that's Serato DJ Pro compatible. If one isn't available Burt can provide own. Please confirm.

1 power strips with a minimum of 6 outlets per strip and plenty of length to reach the DJ area.

Shure SM 57 or 58 microphone w/stand on DJ's left side.

Master outputs from mixer are XLR MALE. Please provide a pair of XLR female.

Monitor outputs are ¼ inch please provide a stereo pair of ¼ inch cables for monitor control.

1 pair of stereo monitors (wedges are preferred).

Monitor outputs are ¼ inch please provide a stereo pair of ¼ inch cables for monitor control.

1 Laptop stand.

HOSPITALITY

4 glass bottles of Sparkling Water

Low carb food choices (Organic Meats, Salad/Vegetables, Hummus, Nuts, Peanut Butter etc)

2 hand towels

2 guest passes
